

Chapter 67 Inc.  
205 E. 161st Street  
Westfield, IN 46074

July 6, 1981

The meeting was opened with the introduction of our guest. He was Jack Reynolds, of Indianapolis.

#### PROJECTS UPDATE

Joe Ferraro recently got his Starduster Too signed off by the FAA as approved for flight. He is still finishing up some minor trim items, and will make the first flight soon.

Fred Morgan has been busy building a KR II. He has been working on it for six weeks, and already has the fuselage on it's gear.

#### HANGAR CLEAN-UP

Our housekeeping at the Chapter Hangar has been somewhat neglected recently, so we will be having a Chapter Work Party this Saturday, July 18, to tidy her up. Meet at the MCL Cafeteria in Keystone Square, Carmel, around lunchtime. We will all have lunch, swap stories, and then go back to clean up the hangar.

#### CAF AIRSHOW

This past Sunday I attended the Confederate Air Force Airshow in Columbus, Indiana. It was quite a show, with recreations of famous air battles by aircraft that have become all too rare. Ron Reimer was part of the show, flying his Bucker Jungmann. He was shot down rather early in the proceedings, though.

If you have never seen the aerobatic routines by the Eagles Aerobatic Flight Team and by Professor Art Scholl, you are really missing something. That alone was worth the price of admission.

The show was quite well attended, and as successful as it was, I wouldn't be surprised if it was back next year for another show.

#### TRADING POST

For Sale--utility trailer 7½'x14' Price is negotiable.  
Don Roberts 773-0436

President: Dick Ervin 542-8580  
Secretary: Pete Wiggin 244-3509
