FEBRUARY 1982 MEETING

Well troops it looks like old man winter dealt us a severe blow this month! With all the snow we received the weekend before the meeting, I couldn't even get out of my driveway. I'm sure there were many of you who were in the same boat.

None the less, there were twelve or so people who braved the winter storm to attend the February meeting of Chapter 67. I understand a fine program was turned by Don Roberts. Sorry, but I don't have details other than Don's program covered Stinson Aircraft. I'm sure those of us who couldn't make it missed a fine program. Well, lets all hope for better weather for the March meeting.

Sport Aviation Coverage

A huge thanks to Bob Bush for his fine article covering our recent mall show. The article covered the promotion and continuous support that chapter members gave to the mall show. In case any of you missed Bob's piece it appeared in Sport Aviation's January issue. Great Job - Thanks Bob.

T-Craft Donation

"Doc" Henry Swenson has donated his 1939 50 H.P. Taylorcraft to the EAA Air Museum. Notice of Doc's donation appeared in the February issue of Sport Aviation. This is a fine looking aircraft and should make a welcome addition to the museum. Congratulations Henry, on a beautiful aircraft and a willingness to share a bit of aviation history with all of EAA.

Guby L-4 Observer

Congratulations are also in order for Van Eller, who had his award winning Guby L-4 Observer pictured in the February Sport Aviation. An inspiring picture of Van's aircraft appeared on page 46, and is that Walt Fritzs' aircraft in the background? Just a terrific effort Van. We are really showing Oshkosh who Chapter 67 is!

President: Dick Ervin 542-8580
Secretary: Jerry Bunner 352-0393

Vice President: Larry Jacobi 773-3112
Treasurer: Don Barnhart 846-8599

Buy, Sell, Trade

Wanted - Engine case for O-235 Lycoming. Contact Walt Fritz 291-8411

For Sale - 1/4 Interest in 1974 Cessna 150 AND 1969 Cessna 172.
Both aircraft are in excellent condition and are based
in Noblesville, Indiana. Only \$6,000 for both aircraft.
Contact Don Roberts 773-0436

Stamp Program

As our Treasurer, Don Barnhart pointed out at the January meeting our chapter is having a bit of a cash flow problem. We have invested a substantial amount of money this year in an operational well and other very worthy projects. Our chapter is indeed fortunate to have such fine facilities in which to hold meetings and activities.

Don came up with some good suggestions to help guide us through these financially trying times, one of which was for everyone to bring enough stamps in to cover the mailing of his or her newsletter for one year. Great idea, since it now costs about \$20-\$25 per mailing. If you can help out, please bring your stamps to the next meeting. It will be appreciated.

March Meeting

If old man winter doesn't show his fury this month maybe we can all make it to the meeting. This month's program will be given by Dick Traill. I don't know what Dick's program will cover but I'm sure it'll be a good one.

Our next meeting will be held Monday, March 1, 1982, 7:30 p.m. at our hanger. Be there if you can. I'm sure you'll enjoy it!

Respectfully Submitted,

Jerry Bushner
