NOVEMBER 1982 MEETING

President, Dick Ervin called the November meeting of E.A.A. Chapter 67 to order. Dick asked the visitors present to introduce themselves. They were; Gordon Craig and Darcy Stewart.

Dick tells us that Glendale Shopping Mall has asked us back again in early April, 1983. He tells us that Glendale's budget has been cut for 1983 and they cannot afford to pay us this time. A vote was taken by the membership present and a motion carried to put the mall show on for free in '83 (if need be). The exact date has not been finalized yet. So troupes, you've got plenty of time to get that old bird polished up and in show condition.

'83 DUES DUE

Treasurer, Don Barnhart had a fine financial report for us. Don reports our treasury is now in a little better shape. While we're on the subject of money; '83 Dues are now payable. Thanks Don.

NEW FRIEND

Al Schinazi has formed Ultraflight Inc., 6410 Cornell Avenue, Indianapolis, Indiana, phone 259-8309. He tells me his firm is handling ultralight aircraft and their parts and equipment. Ultraflight will also carry bolts, cable, fittings, aluminum and some spruce. Drop by and see Al sometime. His hours are Monday through Friday 9:30 to 4:30 and Saturday from 9:30 until 1:00.

NOVEMBER PROGRAM

For the November program, Angus Thomson gave a talk and slide show on summer gliding. His program covered three major areas; Theory of Gliding, Methods of Getting Aloft and Methods of Staying Aloft. Angus gave a fine program and brought up some questions and answers about (simple?) gliding some of us have not thought about. Thanks Angus.
