

Chapter 67 Inc.
205 E. 161st Street
Westfield, IN 46074

OCTOBER 1983

After the meeting was opened, Phil Brown, Treasurer, reported the electricity bill was up. He also said the second installment of our \$500 pledge was paid to the EAA Capital Fund Campaign (making the total paid to date, \$200).

Our President mentioned the Aviation underwriting Agency Inc. is proposing a "project insurance" -- under construction, and flying aircraft. (Information is in the Chapter Office). He thanked our clean-up crew for the excellent job done on the hangar before our own Fly-in picnic. And many kind remarks were made about the event, which everyone seemed to enjoy.

Election

The Nominating Committee then presented a proposed list of Officers, to which was added two names from the floor. After the appropriate voting procedures, the following were elected to serve in 1984.

President:	Don Barnhart	
Vice-President:	Jerry Bunner	
Secretary:	Dorothy Thomson	Directors: John Adolfson
Treasurer:	Don Dole	Walter Fritz

Overheard quote:-

Pres. Don Barnhart, as you can see, was elected for a second term. That gives him another year to complete the "clean-up" so dear to his heart. After all, our last president, "Colonel Ervin" took two terms to get his sanitation project operational! The Chapter is really very lucky to have such dedicated leaders!

Sammy R. Thomas.

P.S.

Local Thornbird reports the Dayton trip was a great success -- after dinner the happy participants had a private show, walk-arounds and sit-ins of things like a Spitfire, P40 and the B36, as well as seeing the workshop area where restorations are carried out.
