

JANUARY 1984

Chapter 67 Inc.  
205 E. 161st Street  
Westfield, IN 46074

Our President, Don Barnhart, opened the brief meeting by welcoming our guest, Dan Freeman, 1925 S. Temperance, Indianapolis, Ind. 46203, whose main interest is in flying models.

Don Barnhart mentioned several new catalogues, now available, and an advert for Spellman Aviator Jackets, all posted on the notice board. Mike Hutchison said he would be interested in a small 6 channel radio, if anyone has any information, please let him know. Thanks were offered to Don Dole for the two new, framed, photographs already hanging -- Don says there are more to come.

The reports of the Christmas Party were enthusiastic. Thirty-nine attended, thoroughly enjoyed it and hope this starts a habit! (Thanks to Rusty Marlen, who started the whole thing off!). Someone reported on the fine restaurant now at the Columbus, Indiana Airport; and a reasonable one at Bloomington.

Jerry Bunner reported the final approach of the day when his project will become airborne!

The Roster for Hangar and Meeting -room cleaning was started:-

Jan.	Wally Parks	July	?
Feb.	Don Dole	Aug.	?
Mar.	Kevin Carlisle	Sept.	Pre-picnic crew
Apl.	Bill Bradley	Oct.	?
May	Pre-picnic crew	Nov.	A & D Thomson
June	Jerry Bunner	Dec.	?

The Rota for the grass-cutting will be made up by Don Barnhart, and, doubtless, he will inform us all!

There is one item to change on the club roster; Pete Wiggin's Box No. should now read Box 233. The Designees suggested we move the T-Craft into the meeting-room, so work can be done in the cold weather. (This was done after the meeting was over). Notes of the last (Nov.) board meeting were posted on the notice board.

The programme then was presented by Mike Hutchison. It was the excellent film of the designing, preparation, flight tests and actual flight of the "Gossamer Albatross" across the 22 miles of the English Channel. Thank you, Mike, a great film!

The meeting was adjourned.

The next meeting will be on February 6th. Monday at 7.30pm, --- the programme will again be a surprise (we are getting used to these now!), this time provided by Don Roberts.

President: Don Barnhart 846-8599  
Secretary: Dorothy Thomson 873-2774

Vice President: Jerry Bunner 352-0393

It would be helpful if all those who have not yet done so, would renew their subscription and return the form giving details of projects, names (it has been suggested you should include your wife's name, too), addresses and phone numbers as it is time to make up a new Chapter Roster.

Below, thanks again to Don Dole, is another picture speaking louder than words!

respectfully submitted,

Secretary.

HAND ME ONE OF THOSE "NEAR-MISS" FORMS. WILL YOU, ED?
