DECEMBER 1985

President Jerry, as usual, opened the meeting by welcoming our guests, Tom Williamson of 21 Thornbriar Lane, Bargersville, IN 46106; Chuck Poland of 6456 Kingswood Dr., Indpls, IN 46256; Jim Milnar of 4201 Lincoln Rd., Indpls, IN 46208; Dan Maynard of RR#2 Box 94, Atlanta, IN 46031; Mike King of 19101 Centennial Rd., Westfield, IN 46074; and Al Schinazi of 7144 Warrior Tr., Indpls., IN 46260. Welcome to you all.

Jerry then called for short reports from the officers, which were all satisfactory, following these with a list of communications; a copy of the magazine 'Light Plane World' is here for perusal; the Chapter Report has been sent in; and enthusiasts and builders of the Rutan designs now have a special organisation to join. The FAA have a safety seminar at Fulton Jnr School on Dec 5th at 7pm, and our own social event, the Xmas Dinner, is on Friday, Dec 6th.

Old Business

As we know, the Taylorcraft is to be put up for Bids. At the meeting of the Board of Directors on Nov. 23rd, the details of the process was discussed and decided upon. At the meeting on JAN 6th 1986, a package will be handed to interested parties. (We will send it to anyone who can't be there). If anyone sends in a Bid prior to receiving this package, we will return the Bid unopened, for re-submission. This should make it fair for all participants. Dick Ervin gave us an explanation of the process, the fact that it is a collection of project parts, that Chapter 67 members in good standing, only are eligible, and that we will all make every effort to make the Bidding scrupulously fair.

New Business

We have two new members. Cletus E. Lamm 11 of 6615 Latona Dr., Indpls., IN 46278, and he is hoping to start a KR2 project soon. Also Randall Floit of Box 496, Westfield, IN 46074, who is presently fixing up his C 120.

Members Reports

Joe Underwood reported the P51 has flown at Mt Comfort, and is behaving nicely with it's tailwheel lock, stable in pitch, and a new prop.

He also had a good trip to Mississippi, with Nathan Davis and Dick Ervin and his T28, on a painting expedition. They saw some beautiful and interesting planes. Their tip for anyone going in that direction, is to eat at 'Joe's Eat Place' at Greenville, Miss., it looks a terrible place, but the food is fantastic (a small steak is 32oz!!)
