MARCH 1985 1986

This meeting was entirely different from the usual ones! On March 3rd, about half to two-thirds of our membership met at the Hangar restaurant, Ramada Inn, at 38th Street and High School Rd., joining Jim Milner and Chapter 689 at the dinner meeting. We enjoyed a very nice buffet dinner, at \$12.00 a head, a cash bar, and good conversation before the meeting was brought to order. Jim Milner then introduced various officers and members of his Chapter, particularly the ones who had helped make the arrangements for this event. He also introduced special guests, such as our own president, Jerry Bunner.

Then came the moment we were all eagerly anticipating - the introduction of the speaker -- none other than our EAA President, Paul Poberezny! It was worth waiting for, as he presented a brief history of how the EAA came into being, with many personal anecdotes and great enthusiasm. He followed this with a very good film of the Oshkosh convention, and a period for questions and answers. He also referred to the way in which the convention has grown, and the challenges that lie ahead. Altogether, a very noteworthy evening. Thank you very much, Paul Poberezny, -- and to Jim Milner.

Sad Note

We would like to convey our deep sympathy to George Taylor, on the loss of his wife, who had been very ill for some time.

Old Business

Grass-cutting time is almost upon us, and someone will be calling each of us, so that the grass gets cut once a week. Jerry is going to use the same system as last year, which seemed to work well.

Don't forget our picnic will be June 8th, this year, which is our next big date.

This is the ROSTER month. Those who still wish to keep their membership, or the newsletter, should have already sent their subs to the Treasurer. If you have not done so, please do, and your names and addresses will be added later.

Next Meeting

Monday, 7th April. 7.30pm. Ray Ovelgonne will present us with a really fascinating programme! Hope everybody can come; after all, I think it is Spring!?

respectfully submitted,
