

Chapter 67 Inc.
205 E. 161st Street
Westfield, IN 46074

OCTOBER 1986

President Jerry Bunner opened the meeting by welcoming our guest, Debbie Morrison of 7360 Dean Rd, Indpls., IN 46240, a student pilot. He then called for officers' reports. VP Tom Watkins described a good Fly-in at Hagerstown and a great bean dinner! Treasurer Don Dole reported a healthy treasury after paying some bills, and the arrival of the 1987 calendars. One of our Technical Advisors, Nathan Davis, reported his own workshop was nearly finished and he will shortly be starting building his second fast-flying machine!

Communications

From Paul Poberezny's letter came a reminder to inform HQ of the new officers' names, to keep the Chapter's official papers up to date, and to use all or part, of the HQ letters in our own newsletters.

Old Business

Chairs, again -- Jerry Bunner is still chasing them (Earl Lampman has bought one for a quarter, and he's donating it! -- tired of waiting, Earl?)

The Lawn tractor is now fixed - to avoid leak in future, please turn the fuel off when you have finished using it.

New Business

This the Election Meeting, so Pres. Jerry Bunner - nearing the end of his two-year term - listed the open positions, the 4 officers, and two Board members. The two retiring Board Members are Walt Fritz and Larry Jacobi. The slate presented were for President; Tom Watkins, Vice-Pres.: Joe Underwood. Treasurer: George Taylor, Secretary: Pete Murphy. Board Members: Eric Podzielinski and Jerry Bunner.

Nominations from the floor were invited, but none were forthcoming. Doc Swenson proposed the slate should be accepted as presented, the motion was seconded and passed unanimously. A complete list of the new Board will be included in the next newsletter.

Bill Thornberry has the opportunity to acquire an 6ft metal brake, at a very reasonable price, so if the Chapter would like it, he needs authority to spend \$150-200. The suggestion was greeted with approval and individual financial support was offered relieving our Treasury of the total cost. Bill therefore, hopes to buy it for us.

President: Jerry Bunner 352-0393

Secretary: Dorothy Thomson 873-2774

Vice President: Tom Watkins 485-6755

Treasurer: Don Dole 898-9719

Members' Reports

Note in the new issue of the Air Progress magazine, an article by Joe Underwood, Bill Thornberry and Dick Ervin.

Don Barnhart reports a splendid visit to the Garber facility, Maryland. There is a three hour tour of 5 buildings, including the restoration area where the 'Enola Gay' is being restored.

Tom Watkins has 'Prescott Pusher' tapes, and info kit available.

Gene McCullough says they are restoring a C47 at Stout Field.

And Don Dole reports he will soon be flying.

Events

Our own pic-nic, on Sept 14th, was a great success, terrific company and excellent weather.

The Dayton AF Museum event was also terrific. 11 people were able to go: they had a very good meal at the Stockyard, and, in the evening, were able to try on the following:- P47, P38, P40, Spitfire, Mig 15, B17, B24, Me 262 (the most comfortable cockpit, according to my informant), and FDR's C54, in a rather tattered condition, prior to restoration. They also saw a beautiful, just restored Mosquito! Altogether, a really splendid occasion.
