

Chapter 67 Inc.  
205 E. 161st Street  
Westfield, IN 46074

November 1986

### Guests

President Jerry Bunner opened the meeting by welcoming our guests. Visitors this month included Ed Mockler, John Marshall, both from Indianapolis, and also Carl McNeil and Martin Fall from Chapter 15. We thank them for visiting us and hope they will do so again soon.

### Officer Reports

The treasurer reported that after paying the bills, the treasury was in fairly good shape. A cash disbursement of roughly \$250 was made to pay for 50 new chairs for our meeting room; a good price for some fine chairs. Thanks go to Jerry Bunner and Bill Thornberry for help with that acquisition.

Reminder from the treasurer: Dues due soon!

### Buy, Sell, or Trade

- a. 1941 T-Craft - make offer; contact Phil Brown
- b. Welding Done - Don Roberts is offering his welding skills. Price is up to you to negotiate.
- c. Hobbs Meters - It was mentioned that Graingers carries them for a price around \$20.

### Communications

We are encouraged by headquarters to carry liability insurance on the chapter. This covers non-flying chapter activities and the chapter officers. The premium for \$1,000,000 coverage is only \$25.

Paul Poberezny sent us a letter discussing how headquarters became involved in a lawsuit which resulted from an incident at a local chapter. Liability is definitely an area with which to be concerned.

We received notification that Dave Clark is now president of local chapter 689.

## Old Business

Last meeting gave way to mild confusion on one point. The out-going president has a one year non-voting term on the board of directors. To correct the error, it was necessary to elect one more member to the board for a three year term. Angus Thomson was elected and accepted. Congratulations to Angus!

## New Business

It's that time of year, friends....CHRISTMAS DINNER!!!

The date for this gayla event this year is December 5, 1986. It will be at Fireside at the Heliport in beautiful downtown Indianapolis.

The evening will include a tour of the heliport facility beginning at 6:30, cocktails at 7:00, and dinner at 8:00. The cost for dinner is \$13.85 per person which includes tax and tip. Cash bar available.

Helicopter rides will be available for \$25 per person. Also there will be a drawing for a free helicopter ride for two. Tickets for that drawing cost \$3.00 each.

Money for dinner MUST be paid in advance at or before December's meeting on Dec. 1. You may send a check to Jerry Bunner or bring it with you to December's meeting.

This should be a TERRIFIC EVENING so be sure to join us.

## Members' Reports

Dale Gustafson reported on a business meeting at headquarters. There was a discussion of lawsuits. Avemco is actively working with EAA.

Don Dole reported that his T-Craft has been signed off and is ready to fly. However, when fueled up for her maiden voyage, a leak in the fuel tank delayed things once more.

Dick Ervin told of an impromptu gathering of aviators at Mount Comfort airport that was apparently soured somewhat by some unfortunate events.

Carroll McVey mentioned that the 3/4 scale SBD that had been rebuilt by Don Roberts and students is hanging in the San Diego Air Museum.

Maurice Hobson informed us that the women's aviator group known as the 99er's painted some valuable markings at the Boone County airport recently. Tom Watkins mentioned that they had also done this at Mount Comfort airport previously.

Ken Reed donated a poster of the Voyager for our chapter meeting room. Thanks, Ken.

## New Member

We want to welcome a new member to our chapter.

Mike is building a Zenith CH 200. If you've not met Mike yet, try to introduce yourself at our next meeting.

## Program

Larry Middleton presented a video titled "Airplane Funnies". Real live flying experiences by model airplane flyers. Fortunately, the events we saw were not real airplanes with real persons inside. Since they were only models, we could all laugh at the "model" misfortunes.

Thanks for the show, Larry. Too bad the television died before it was over.

## Next Meeting

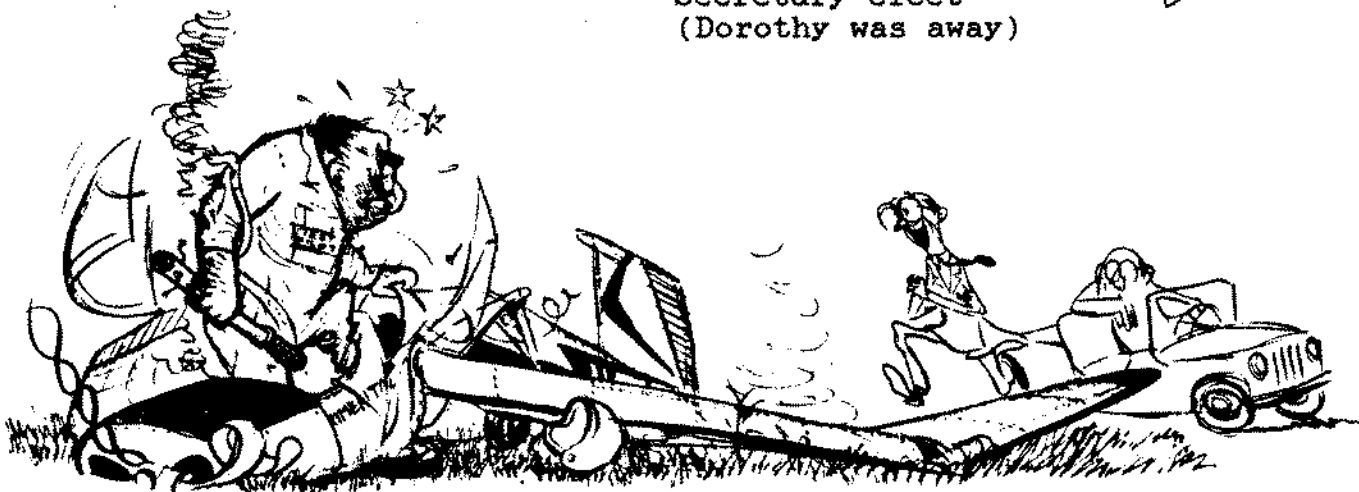

Monday, December 1, 1986. 7:30pm (as always)

Hope to see you all there.

Respectfully submitted,

*Peter J. Murphy*
