

Chapter 67 Inc.
205 E. 161st Street
Westfield, IN 46074

JANUARY 1987

Happy New Year ! ! !

Our new President, Tom Watkins started off the new year with an energetic meeting. Three guests were welcomed:

Dave Clark (president EAA Chapter 589)	- Plainfield
Steve Alcorn (now new member)	- Lizton
Colonel Charles Cook (guest speaker)	- Indianapolis

Buy, Sell, or Trade

Dale Gustafson - PA 14 landing gear structure - no wheels. Also, knows of 11AC Chief in restoration process with A-65 engine. Needs more work.

Don Roberts - Has 180 h.p. Lycoming engine for sale. Offer?

Cletus Lamm - Looking for c-75 or C-85 engine.

Maurice Hobson - Tipped us off concerning six new engines for sale still in crates. Originally thought to be VW's, but inquiry to the seller revealed them to be water-cooled Renault (she thinks). May sell for \$125 each. For information contact Mrs. Hendrix - 356-1835.

Others - If you had something for buy, sell, or trade, and I omitted it here, I apologized. I was scrambling to try to get everything down. Please let me know, and I will include in next month's newsletter!

Old Business

We are trying to stimulate interest in forming a work party to go to Oshkosh prior to this summer's event. If anyone is interested, or has any ideas for a good project, tell Tom Watkins so arrangements can be made.

A brief reminder..... Don Dole has retired from the "cooler committee" and Randy Floit has assumed responsibility for keeping it supplied.

New Business

Certificates of Appreciation were presented to members in recognition of the time and effort they gave to the Chapter during 1986. Presentations were made to:

Former President	Jerry Bunner
Former Treasurer	Don Dole
Former Secretary	Dorothy Thomson
Technical Advisor	Art Nichol

(We suspect there was a certificate for former V.P. Tom Watkins, but he was too modest to present it to himself.)

We express a VERY BIG THANKS to these people and all the others that have helped with the Chapter last year to keep us going strong.

Sun-N-Fun is scheduled for March 15, 1987. If you plan to attend and have room for extra riders, let us know so that we may match up needs with opportunities.

Program

Doc Swenson invited Colonel Charles Cook as our guest speaker. Colonel Cook has had extensive active duty flying military aircraft during WWII over Europe and also in Korea. He talked briefly of his experiences and had available for our inspection actual maps of Europe issued during the war, and photographs taken from his airplane over Germany. He also presented a film entitled "Air War Over Europe" which gave an excellent account of several specific events of major importance, including the V1 and V2 rocket program in Germany.

Many thanks to Colonel Cook and to Doc Swenson for a terrific program.

Next Meeting

Our next meeting is Monday, February 2, 1987 at 7:30pm.
The program will be provided by Lou Owen. See you there!

REMINDER ! ! !

Dues are due. Please try to get them in soon so you will be included in the new 1987 roster. Thanks.

Respectfully submitted,

Peter J. Murphy
Secretary

President: Tom Watkins 485-6755
