Officers' Reports

President - EAA Air Academy has scheduled the workshop for teenagers in our area for Sat. & Sun. Apr. 30, May 1. Check your calendars to see if you will be able to help with this worthy event.

- A sweetheart dinner is planned for Saturday evening, Feb. 13, at The Out-Of-Bounds restaurant. (It turned out to be a very enjoyable evening. About ten couples came for dinner, music & dancing, then a nightcap at Don Dole's house. Truly a superb evening!)

Secretary - A good response was received from the roster update forms. But still, not everyone was heard from. The new roster is included in this month's newsletter. Much time and care went into trying to be sure that information was accurate, and everyone was included, but if you see an error or omission, please let me know, so I can include it in the next newsletter.

Treasurer - The treasury is in decent shape, with some 1988 dues still coming in. Much of the funds have been appropriated, though, (gravel) so if you might have forgotten to send your dues this year, please do. (\$15cheap!

Program

The program this month was a movie brought in by Tom Ransdale showing the F-4 in flight, with music and narration describing its flight characteristics! Good show, and thanks to Tom for bringing it in for us.

Next Meeting: March 7, 1988 at the regular place. See you there!

Respectfully submitted,

Peter J. Murphy
Secretary
