Officers' Reports

- Treasurer - George Taylor reported that after paying for chapter insurance, 1989 calendars, and stamps for the newsletter, we still have a modest balance in the treasury.
- Secretary - Pete Murphy reminded us that our 1989 chapter status report is due at headquarters by December 1, 1988. He also shared with us a short theme written by a fifth grader in South Carolina entitled, "Why I Want To Be A Pilot." Thanks to headquarters for sending it our way.
- President - Tom Watkins reported that the Christmas dinner has been arranged for Saturday night, December 3, 1988, at Rick's Cafe Dockside, which is located by the boat docks out at Geist Reservoir. We will have a room pretty much to ourselves, and will have a choice of three different items: Ribeye, White fish, Hawaiiin chicken. Cost is expected to be about \$10-\$12 per person. If you will be unable to attend the November meeting, call someone to put your name in for the Christmas dinner.

Buy, Sell, Trade

- For sale - Sailplane: LO-150, well equiped including trailer. Glide 34 to 1 at 65 MPH. \$3,000 OBO. Garth Ziege, Sheridan, IN 758-4881.
- For sale - Continental A-65 crankcase, NOT certified. \$100. Joe Chadwick 244-8639.
- For sale - C-150, also Pietenpole (?) project. Call Steve Alcorn.

Old Business

The meeting that is scheduled with Congressman Dan Burton and FAA representatives has been postponed by a week or two. THE MEETING IS NOT ON OCTOBER 22, 1988 as had been previously announced. Due to scheduling conflicts, it was necessary to change the date of the meeting. At the time of this printing, a firm date was not set, but appears to be shaping up for either Saturday, October 29 or November 5. Watch for a notice from Congressman Burton's office. They have also discussed making it at a time possibly in the morning.

Election Nominations

The nominating committee has presented their recommendations for officers for the 1989-1990 term. They are:

PresidentPete Murphy
Vice-PresidentEric Podzielinski
Secretary/Newsletter Ed...Maurice Hobson
TreasurerGeorge Taylor
Board of DirectorDick Ervin
Board of DirectorNathan Davis

Other nominations may be made at the November meeting, at which time a vote will be taken.

Odd & Ends

The tour of the Dayton Air Museum was October 8. Reports from those attending were that it was a fine event, as usual.

Nathan Davis has offered his new airplane facility to us for a meeting at some time in the future. Perhaps we can plan that with nice weather next spring or summer.

A fly-in breakfast is scheduled on Oct. 22, 1988, at Raleigh airport in Raleigh, Illinois.

We still have several EAA calendars left for 1989. Cost is \$4.00 each.

Program

The program this month was a delightful talk and slide presentation by John (Mick) Reeves about his trip to Europe in his Cessna 180. He had shots of his preparations, trip along the way, and beautiful European countryside. He gave vivid descriptions of many of his experiences along the way, and helped us to feel the excitement of his trip! Thanks so much to Mick for sharing his adventure with us.

Next meeting

Our next meeting will be Monday, November 7, 1988, at the regular meeting place. On the agenda will include the vote for officers and more details about the Christmas dinner. See you there!

Respectfully submitted,

Peter J. Murphy
Secretary
