Officer's Reports

- President - We had a very nice Christmas dinner at Rick's Cafe Dockside. Food and service were excellent, and we even had live music.
- An advisor to President-Elect Bush is planning to meet with Paul Poberezny to discuss aviation problems. Hopefully, this is a good step to working with the government to help all areas of aviation, particularly general and sport aviation.

Officer's Reports (cont.)

- Treasurer - So far, about half of the 1989 dues have been received. Let's try to get them in. (George wants to take a vacation!)
- Secretary - Many thanks go to Pat Luisi and Carmel Pro Printers. All year long, they print our newsletter at no charge to us. Once again, a holiday gift to Pat from our chapter will be sent to show our appreciation.

Buy, Sell, Trade

- Walt Fritz - McCauley wheels & brakes from C-182. \$100
291-8411 - Piper Cherokee fuel tank. \$25
- 800x4 Piper wheels, brakes & inner tubes. \$100
- Cherokee Carb air box. \$10
- Several Cheyenne wing tip tank nose cones - may be ok for homebuilt spinner.
- Bill Thornberry - Mark 12 360 - WOR-4 Norco. 896-2408

Old Business

A new suggestion was made concerning the apron proposed for the hangar. Perhaps gravel would work. Also could mix/cover with asphalt. Subject was again tabled until future.

Program

This month's program was presented by Don Dole. Don showed us two super video's. One was the Howard Hughes story, which covered many different time segments of his life. The other was the Lockheed story, which discussed activities of the company. Thanks, Don!

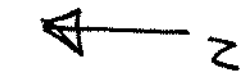

Next Meeting

Because the first Monday of January, 1989 is a legal holiday, our meeting will be the following Monday, on January 9, 1989. Instead of having the meeting at the hangar, we have been invited to the home of Mike & Helen Creer, located at 4377 Brecken Ridge Court in Carmel. A map is included. (Look for the X instead of the check mark!) For the program, Mike will tell us about and show us his project currently being built. The meeting is to begin at 7:30 pm (regular time). See you there!

Respectfully submitted,

Peter S. Murphy

Secretary
