Buy, Sell or Trade

It seems, Don Roberts did not have a thing to sell or
trade. Don, you will have to find something before our next meeting.
Our past President, Tom Watkins knows of someone who has a boat and
motor with all the goodies to go with it.

for rulemaking proposed by the Aircraft Owners & Pilots Association,
E.A.A. and Helicopters Association. (Docket No. 25753 Summary Notice

addressed envelopes for our use so that we can send one each to our
Senators, Congressmen and a double letter to F.A.A. Please send these

our Fly-out to His Fly-In at Rochester, Indiana. Van said there would be snacks and there are three restaurants at the Airport and one good restaurant in town. We are invited to Van's cottage and then decide as where to eat. Ok everyone, Here is your chance to fly off somewhere. This is to be on Sat. Or Sunday.

For those of you who missed your invitation to visit Angus and Dorothy Thomson Sat. Jan., 7th. well, all I can say is you missed one fine visit. Dorothy and Angus were great Host & Hostess because we learned a lot and it was most interesting. The both of them are building a Sonerai with the 2180 VW Engine. They have spent 5 years up to date and their workmanship is beautiful. They have a great arrangement with both shop and space to build. Their home was constructed in a way to especially suite their Aviatinal activities. Everyone commented of having such a grand time and we all thank Angus & Dorothy.
