CHAPTER 67 HANGAR 1.5 MILES WEST OF U.S. 31 ON 161ST STREET

MARCH 6, 1989 MEETING

E.A.A. HANGAR

President's Report:

Our President, Pete Murphy called the March meeting to order at 7:30 P.M. President Murphy ask if we had any new visitors. Mr. David Kapeschka paid us another visit, David is staying with Walt Fritz and He is to leave us soon. Nice to have you again David. Also, Steave Turner paid us another visit and He intends to join our Chapter. We will be happy to sign Steave up and Steave has a T-Craft. Nathan Davis honored us by bring His youngest daughter, Christi to the meeting. Glad to have Christi, please come again.

Pete then informed members present that a Board of Directors meeting was held and he began covering the topics covered and voted on. Topics covered are to improve, make the Chapter more interesting, give the membership more knowledge and to bring out more enthusiasm of our members. The Directors are hoping the membership will do more to-gather as a Chapter. Please join us in this endeavor, Will you??? To start with, in order that everyone knows who your Board Of Directors and all your Chapter Officers are, William Thornberry has made up some nice name pins to be used at all Chapter meetings. Thanks Bill. It is also good for all of us to talk to visitors and new members so as to make them feel welcomed and happy to have them. Please do this. Pete then addressed one purpose of our Chapter and that is AVIATION EDUCATION and not so much VCR TAPE programs. By this, there is planned programs that will give members a hands on experence of Aircraft sheetmetal work, fabric, covering, painting and many other educatioal programs of interest. We need more members to participate, in fact, we need all you members to participate in these programs. Some of you have asked for, riviting , welding, painting, fabric, wood, dope and so you will have the chance to learn now, Ok?

William Thornberry donated a calendar so as to give the membership a chance to see what the Chapter events are, when and where. If you know of some event of interest to the Chapter, Please pencil it in on the proper date.

The Board Of Directors has determined that our hangar needs a good cleaning.

ATTENTION!!!!!!!!!!!! ATTENTION!!!!!!!!!!!! ATTENTION!!!!!!!!!!!!

It has been decided and voted up-on to remove every thing in our hangar which belongs to any member and to remove all parts and material which we have no use far. You have **28** days to remove any items belonging to you, **28** days. At our next meeting we will start this clean-up project and Don Roberts will have a truck to haul everything away. which is not claimed. Hope this is not to much of an inconvenience.

Everything must go so , Please do-not wait before it is tossed out. The cleanup must be completed and hangar must be in good order well before the April Air Academy program 29th. & 30th. After the next meeting, you must have removed your property by that time or it gets tossed, providing you aren't there. Final day is April 3rd for clean up.

Pete made notice that the air compressor is being worked on by Tom Watkins. Tom will try to get the compressor working for the Chapter. Tom is working on the Link Trainer also. Thanks a lot Tom. Dick Ervin will try to find replacement parts for the Trainer. Thanks to Dick. there is an attempt under way to getting the lathe working.

Pete ask Bill Thornberry to report on the possibility of having a Ground School at the E.A.A. hangar for student and private pilot training. Bill said the course would run for 12 weeks and cost would vary as to how many members would attend. This would be somewhat beneficial for some of us, bring us up to date on all the changes that F.A.A. and the Dept. of Transportation is imposing on us. Please hurry because Bill is setting this school up for us and we need to know how many of you wish to enroll. Call Bill Thornberry, home 896-2408, work 549-0777. as soon as you have decided. Thank you.

The next item Pete focused on was, Bar-B-Q one Sat. evening a month at your hangar. How does this sound??? also, It has been decided the Chapter would furnish all the food and there would be a small charge for the meal. Is this good/???? sounds good we think. A fine social event. We will wait to see how you respond and this will determine your interest.

Next, The Fly-Outs. Places to fly to for breakfast, lunch or dinner. Everyone invited to express their favorite place. More later, OK?? Now, so as not to leave anyone out, we have all agreed who have their own aircraft, with more than one seat, invite anyone who would like to go. This event would not be a Chapter event only for friends for a Fly-Out.

Vice President's Report:

Your Vice President, Eric Podzielinski is in command of this big clean-up project. Eric also needs your help in any way you can help. This is everyones Chapter and we are all obligated to help once in a-while. Some of these good members help all the time and others, we never see. How about coming out sometime?? Please, This is a family affair, OK???? Thank you.

Treasurer's Report: George Taylor did not come because of weather.

Secretary-Newsletter Editor:

My report was, we still have 23 unpaid dues. We have 5 members who have not paid their Building Fund. I have called your attention to this matter in each newsletter and those members have not responded. I made phone calls to most of these members and they will send in or will pay dues at the next meeting. Please,--- We want to make up the Chapter roster so please send in those dues, Thank you.

Don Barnhart introduced the subject of having a Flyin Club for everone interested in instructions or just flying. This would not be related to Chapter 67, just a Flying Club. If anyone is interested, Please call Don Barnhart , Home 846-8599, Office 776-4077. Thank you.

We need to welcome our latest new member, Dick Flee from Indianapolis. Sorry, I did not list Dick last month, hope you enjoy your Chapter Dick and we are happy to have you with us. Thank you.

Last night, the weather was frightful but, some members were delightfull in as much as they made the meeting. Members attending Pete Murphy, myself, Harry Jacobi, Don Roberts, Randi Buck, Bill Thornberry, Nathan Davis and his daughter, Christi, Dave Morrow, Walt Fritz and Walts

guest, David Kapeschka, Jack Bitter, Eric Podzielinski, Don Barnhart, Don Dole, Mike Creer, Tom Watkins, Frank Stewart, Wayne Hershman, Steve Turner and Dick Flee. WE also had the program speaker, Mr. James C. Buehler, a Captain for American Trans Air. Mr. Buehler was Larry Jacobi's guest speaker for the program. Mr. Buehler gave us one fine talk on Aviation Law. I know myself, things He mentioned, I did not have any idea of. You missed a great meeting if you did not show. Thank you so much Mr. Buehler. Please come again Sir.

BUY, SELL, TRADE

BUY, SELL, TRADE

Jerry Bunner Phone 352-0393 Work 549-0777

1 Prop. adapter for Volkswagen Engine.

Maurice Hobson Phone 769-3437 Also 637-2137

1 - All Alum 60 gal. fuel tank with mounting brackets, fuel nozzle, gage hose for fueling aircraft. A real nice unit.

Van Eller did not return with His new aircraft because of bad weather down in north Florida, Georgia and Tenn. He will try again soon.

Please be sure and read the ATTENTION!!!! paragraph.

Dave Morrow filled us in on the latest Air Academy report. Dave will have enough Fliers for all the volunteers who will give of their time to help this most worthy cause. Dave will appreciate very much if you will call him to volunteer. Thank you for calling.

At this time I am wondering if my letters are to much or to little. I would like to know how all of you feel about this matter.

A man preparing for his daughter's wedding said things were going well because he had learned the three S's : sit down, shut up and shell out.

Skiers need three things: white snow, green money and Blue Cross!

There are three subjects that make news: women, wampum and wrongdoing.

Next Meeting
April 3rd. 7:30 P.M.

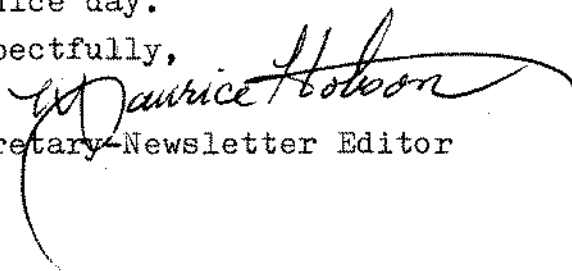

Next Meeting
April 3rd. 7:30P.M.

Next Meeting
April 3rd.

Again, We sure hope no one is to inconvenienced for the hangar clean up, but we need to do this job. Thank you for your cooperation and we appreciate your help.

Have a nice day.

Respectfully,

Secretary-Newsletter Editor
