Dave also reported on another program scheduled for June 10th. at Wilderness Field, E.A.A. Hangar. It has been agreed upon to have a chili cook-out for Congressman Burton as a fund raiser. Since our Congressman has tried to help us with some of our Aviation problems in the few years past, we feel the least we can do is help raise the funds He needs. It was also decided to donate \$25.00 per meal for this event and we hope all of you will attend to help in this most worthy cause. We no doubt will need Congressman Burton again to work for us in the future so, please, let all of us show our appreciation and help Congressman Dan Burton.

The chili cook-out is a joint venture between CH. 67 & CH. 689. For those of you who wish to talk with your Congressman, Dan Burton will be here. Remember He has been helping all of us with our Aviation issues.
