

Chapter 67 Inc.
 205 E. 161st Street
 Westfield, IN 46074

APRIL MEETING, 5th.

EAA HANGAR

PRESIDENT: Your President called your meeting to order at 7:30 P.M. We are happy to welcome are April visitors who are, Mr. James F. Morgan, Mr. Chas. Davis, Mr. H. Jerry Mikels and Mr. Ron Miller. So happy to have you four visit us so please come again anytime, thank you.

Pete ask if anyone had items for, "BUY-SELL-TRADE." Joe Chadwick may have just what you need in the line of medal. You can call Joe at home 244-8639. If you are in need of having those chip marks in your auto windshield removed, call Don Barnhart, 776-4077 or home 846-8599.

Doc Swenson is in need of cabin parts for his Colt and he can use parts from Tri-pacers, Colts so, if you have any parts, please let Doc hear from you because he will appreciate your call. Home: 255-1378 or 257-1225. Thank you.

Pete informed the membership of a Board of Directors meeting and the Boards vote to dispense the Officers long reports. By doing this we can have more time for other discussions or to cut down on the time of the meeting. Pete will post all mail from EAA. Headquarters on our bulletin board in the back of our meeting room. Pete reminds each of you that the next Chapter meeting is to be at the Noblesville Airport. This location is at Jacobbi-Roberts and the date is, May 7th., 7:30 P.M. Map to follow.

The dates for our picnics this year are, Sunday June 3rd. This year we shall try something a little different giving all of you plenty of time so you can do the things you need to do. The picnic will be 3PM. to 4PM. this way you may want this to be your evening meal. We can try this to see what the results are. If you have any in-put on this plan, feel free to express. This way we can eat around 4to5P.M.

Pete turned the floor over to Dave Morrow at this time and Dave reports the EAA Air Adventure Day is Saturday, April 28, 1990. Eric Podzielinski, our Vice President is coordinating the clean-up for Sat. 21st of April so please call Eric if you can help on this day. Eric will sure appreciate your help. Dave will be happy if anyone can help him do the set-up on friday night April 27 th. Thank you. Please call Eric at home, 877-1524 or 872-1565. Dave can be reached at home, 846-1390.

ATTENTION

Dave needs as many aircraft at this event as he can have. If you care to help support this event, please fly-in.

There was no old business nor new business reported.

George Taylor needs your dues paid so he can bring his records up to date. George also has cards for each of you who have paid their dues.

Speaking of dues, I again this year have been calling those members who need to pay their dues. Please help us because this is a lot of time and effort put forth to remind each of you.

We had a great and very interesting program for this meeting. MR. Scott Towers from the Control Tower at Indianapolis International Airport gave us a fine talk on the FAA facility. He related to us, the services availiblity and how we as pilots can use these services. We thank Mr. Towers and we appreciate his fine program. Thank you so much. Perhaps he will come again.

ATTENTION !!!!!!!!

Please do not forget that on June 4th., our program for this meeting will be conducted by Holly Geiger of FAA Flight Standards Office, Indianapolis International. Please be sure to attend this meeting because it could be most beneficial to you.

ATTENTION

ATTENTION

ATTENTION

On the last day of April of 1990, the extension that FAA wanted for the civil penalty assessment demonstration program will expire. This is a civil penalty system which the FAA came up without notice or prior public comment and has the deck stacked totally in the FAA's favor. Again, We are ask to call or write our Congressman and Senators to express we do-not agree with this and we want the Rules of Practice for FAA Civil Penalty Action, Docket No. 25690, be allowed to die.
