New Business:

***** No New business other than Old Business of GRASS CUTTING. Since it has been so hard finding volunteers for this project, It was decided perhaps the best way to go was, pay or rather hire someone to cut our grass. Believe me, I never would have believed we would have to pay to have our grass cut. I am sure we have members who could find just a few hours, like a couple of hours on Sat. or Sunday to cut the grass. I for one will volunteer now to help cut grass. We will wait for you to come forth and help me this next summer.
