EAA Chapter 67 Minutes of October 1, 2007 Meeting

Jon Ogle called the meeting at order at 7:30PM

Secretary's Report:

All who did not receive the e-mail containing last month's minutes please make sure you give Dawn your current e-mail address. Dawn will bring an e-mail list to the next meeting so we can update it.

Treasurer's report:

We have two port-o-pots from Republic that have been paid for. They will be delivered late Saturday or early Sunday. They will have hand sanitizers inside. We have also purchased a couple of safety vests and safety tape.

New Business:

BBQ – Lynn indicated that we have planned for 350, We served about 300 last year. He has been working with Lo-Bills and they have been very helpful. WE may want to consider some type of advertising at the BBQ. We will serve hot dogs, BBQ and Chicken Quarters. The BBQ will be shredded beef tenderloin in a crock pot. We will also serve baked beans, mac and cheese, slaw and potato salad. We will need to purchase paper plates, napkins and plastic flatware since we used most at the pancake breakfast.

All wives need to bring dessert.

We will have 20-25 cases of bottled water and will work with Lo-Bills on soft drinks.

Our price will be \$8.00 per adult. This is up \$1.00 from last year. All agreed that we should raise the price and believe that this is still a very good deal.

Lynn will be here Saturday. We need folks here very early Saturday to get set up. Please plan to be here between 7:00 and 7:15.

Tom will drive to Lebanon and get the roasters. Lynn may be able to go with him Friday or Saturday. We have the grill back and need to fill the tanks.

We will set up in the hangar and outside like we did last year. We will serve all food and need folks so show up to serve.

Don will have two cakes from Wal-Mart, will bring ice and has made signs. He will also bring his sport aviation magazines for the EAA info tent and will have 20 picnic tables. Don has also advertised in the Noblesville Times.

If someone signs up to be a member on Sunday we will give them the remainder of this year free and will give \$5.00 off for next year. Please bring any magazines you have for the EAA tent. We also have some EAA brochures from the Young Eagles event that we will bring.

It will be very important that we all watch out for children.

Parking will be down by Don's across from the corn filed. Overflow parking will be across the street.

Tom has two 12x20 ft tents that he will bring. There are also a couple of tents at Hagerstown that we can use. He will pick those up as well.

General Info:

Our corporate papers expired. We received a letter from the EAA and have since completed the paperwork and paid the dues to the Secretary of State

The 2008 EAA calendars are in. We will order one box.

We recognized that Don Roberts has been an EAA member for 43 years.

Yeah Don!!!!!!!!!!!!!!

The Young Eagles event went very well. We flew 48 children and had 4 pilots. Senator David Ford ran the ground operations. There were three or four children at the event who were very interested in flying.

David's birthday was last week and he received a trip to Kokomo to take a ride in a B-17. He had about a 30 min flight and the tail wheel broke when they landed. The crew was able to replace it and they were up and flying again in no time.

There is a Dinner/Dance at the Columbus Municipal Airport on Dec 6. The proceeds go to Habitat for Humanity.

Jon Mynders went to Ohio to see the Mustangs. He has several pictures and will post to website.

Old Business:

None

Builder's Reports/Buy/Sell/Trade:

Bill Carr let us know that he had a visit from the FAA and he now has an airworthy certificate fro the Sonex – Congratulations Bill!!!!

Don is still looking for a metal working lathe

The sale in Pendleton will be soon. Jon will keep us posted.

Jon is working part time at the ACE Hardware in Noblesville and let us know that the y have drill bits so we do not need to drive to Carmel anymore.

Doc has a Sears 2600 generator – make an offer

50/50:

Dave Waters

November Meeting:

The next meeting will be held November 5th

The business meeting ended at 8:15
