EAA Chapter 67 March 2008

Jon Ogle called the meeting to order at 7:30PM.

Pledge

No secretary report – Dawn is in Washington

Treasurer's report – dues are due – Dan has envelopes with names, please pick yours up and return your dues at or before the next meeting.

Calendars are for sale. They were originally 10.00 dollars, 7.50 now; price will drop again at pancake breakfast if we have any left.

Membership list – Jon has updated the list, there were people still on who are not members, they were taken off, Jon added new and reviewed with Dan, 2/3 of membership has not yet paid dues, check with Dan to see if you are not sure if you have paid

New Business

Would like to move pancake breakfast to June 28 due to Larry's schedule – he will not be here for the 14th, weather is another consideration, later should be earlier in the month, - no objections to moving the date

EAA has picked up a program that was already on the Internet for scheduling aviation events and have modified to EAA format. Jon has added our fall BBQ so we are now scheduled with the EAA

,
EAA.org/calendar – very easy and instructions are on the web site. You can check events scheduled for a given day within a desired radius or by state

We have another applicant for air academy – John Gardner – he will read his essay tonight. We had said we would spend 1000 to send a child to camp, we have pledged 1000 to Eileen however Jon recommend that we spend another 1000 for John. We have the money and do not need it for anything at this time. There was a motion, a second, all are in favor – approved

We are 5013c – by law some of our money needs to be spent for these types of activities – we are here to promote grass roots aviation and need to get young folks interested.

The cost for EAA camp is 1000 for chapter sponsorship and 100 for application, both kids have already been accepted

John will now tell us why he wants to go (essay attached with minutes)

BBQ - Lynn has indicated that we might want to have this catered. He has organized for the past several years, his sister is a caterer, and she is not available this year. It is usually difficult to get enough volunteers so it may be a good idea to have catered.

We broke even last year but the year before we made money.

We may want to put an add on barnstormers, there are many good sites on the web; we just have not used them in the past.

Lee bottom has turned into a national event due to advertising.

If we cater we will not cancel due to weather. We may pick a rain date if it is feasible.

Fliers need to be made available earlier so we can put them out. We will make sure Lynn can be at the next meeting and make a final decision.

Don will make an extra sign for the intersection since it is now a major intersection.

Old Business

Maurice has been moved back to the rehabilitation center in Lebanon, he is having a difficult time speaking, but he is improving. He is at Homewood, we will post address on website and send in an email

Eileen has had rank advancement in ROTC

Jon is doing updates on the email list

Please make every effort to attend mtgs

Builders tour is scheduled for March 29 – we will look at an RV-8 and a Sonix

We will try to schedule a Young Eagles event, potentially the day after the pancake breakfast.

The business meeting concluded at 8:09PM
