EAA National has made a call for nominations for awards. Some of the categories are web editor, achievement, editor. Jon will have the remainder of the categories. There are a total of six awards. Jon will send the information to the members of the board.

Old Business:

The builder's tour has been rescheduled. There is an RV-9 in Castleton, an RV-7 in Noblesville and a T-51 at Sheridan. The tour will be the 26th and will start early in the morning. Jon will send a schedule out via email.

Flying Story/Builder's Reports/Buy/Sell/Trade:

Last week during the Westside chapter meeting held at Hendricks County a Biplane was doing low level passes. At the end of the meeting there was a police car at the end of the runway. Although it did not appear that the police were going to do anything with the pilot, this is not good for GA. We need to encourage all GA pilots to be good neighbors.

A special note: if it has been raining and you want to drive out to see if the strip is wet, DON'T. If you do Larry will have to pull you out with the tractor.

There is a 1940 J3 for rent at the Franklin Flying field for \$65 and hour. You do not need renters insurance to rent this airplane.

Jeff Apple from Sheridan has indicated that Brian Mayer has had an offer made on the airport by a man in Texan. The individual has an airport in Texas that he wants to sell and move here. The county does not have first right of refusal. If he gets the airport he wants to turn it into a 40s themed airport.

The first Tuesday in May is the election in Hamilton County. Brad Beavers is running. If you would like to put a sign in your yard you can see brad after the meeting.

Dan Montgomery has a new FBO at Grissom. It should open to the public within the month. There may not be fuel available initially

50/50:

Patrick won the 50/50

May Meeting:

The next meeting will be held May 5

The business meeting ended at 8:15
