The cook out will be held on Oct 12. Don will get soft drinks and water from Kroger. We will need to determine if we need to put up an advertising banner for Kroger indicating they are a sponsor. Don will also be getting 18 picnic tables.

We will need to get plastic drums for the drinks the tubs we used last year are missing.

We will need ice. If there is any way to get the ice donated that would be very helpful. We spent a tremendous amount of money on ice last year.

We are counting on 350 for the fly-in. We have access to a high quality roaster and will be roasting pork. We have ordered enough pork for 350 people. We will also have hamburgers and hotdogs. Sides will include mac and cheese, broccoli casserole, and baked beans. As in the past, members will donate desserts. If possible we would like all wives to help out by providing dessert and serving. We will also need volunteers to set up, park cars, park planes. We will set up on Oct 11. We will rent two port-o pots.

There is no update on Maurice. He had throat surgery. He has asked members to pray for him, he is not doing well right now.

The young eagles event is October 4, any pilots willing to fly are encouraged to come.

Grissom had an air refuler set up at Mount Comfort. It is available for our event and we have completed the paperwork. They were concerned that we are charging for food. We will need to show that we are non-profit.

Next meeting October 6.
