

EAA 67 MINUTES March 1, 2010

11 members met for dinner at McAlister's prior to the meeting.

President Brian Crull called the meeting to order. The Pledge of Allegiance was recited.

We had 2 visitors. Walter Ney & Mark Eberly. Mark is a former member and renewed his membership.

Secretaries Report:

The monthly minutes are being emailed to all members. If you need a hard copy, let us know. We will try to leave copies in the line shack.

Have been speaking to John Mynderse about helping with a newsletter. Any one interested in helping, please contact us.

Treasurers Report:

Dan Daubenspeck reported that there is a little over \$5000.00 in our account. All bills are up to date. He also mentioned that we have no candidates for Air Academy in 2010.

Young Eagles:

Rob Morris reported that he and Tom McNutt are working on a young eagles event for May 15 9:00 AM until noon. The rain date is Sunday May 16. Rob will speaking to middle schools about young eagles. The plan is to schedule 20 slots for the May event, with a larger event planned for later in the year.

They will need pilots and ground workers. Please give them a hand when the request goes out.

New Business:

Allan Grabeman & Brian Crull are scheduled for the EAA leadership training in Oshkosh March 26-28.

It was brought up that we need some new tables before we host our next event. Brian is going to look into buying new plastic folding tables.

The club will also look into another grill/griddle for the club. We have maxed out the capabilities of our current griddle.

Purdue is having a breakfast fly in on 4/17. The Frasca fly in is 6/26 at the Frasca Field in Urbana Illinois.

I will be working on a fly out to the Armstrong Space Museum on May 2.

Respectfully submitted: Allan Grabeman
