

MINUTES EAA CHAPTER 67 5/3/10

President Brian Crull called the meeting to order. The Pledge of Allegiance was recited.

We had several guests: Charlie Burk, Tom Jacobi, Randy Cox, Joe Chadwick. Our guest speaker is Sheryl Cole.

#### TREASURERS REPORT

Dan Dobinspeck reported we have approximately \$5000.00 in our account.

Brian has researched new plastic tables for the club. Sam's Club has the best price at \$77.00. We will buy 10 new tables for the June Fly-in.

Dale Gustafson offered \$5.00 each for our old tables.

The club needs to look into our 501c3 tax status and applying for a Federal Tax ID number.

#### YOUNG EAGLES

Rob Morris is on the mend from a heart stent procedure. The Young Eagles event is on schedule for May 15. We can use more 4 seat aircraft. Pilots and volunteers should be ready to go by 8:00am. We presently have 11 kids signed up for rides.

Nick Bolan thanked Rob Morris and Phil Brown for their help with the Boy Scout event at Sheridan.

#### NEW BUSINESS

#### BREAKFAST FLY/DRIVE IN 6/5/10

Tom McNutt will supervise the cooking for the day. He will need 5-6 helpers. Brian has secured a griddle plate for our grill. This will give us 50% more cooking area. Still need another griddle, as we are planning on 350 people.

Dan will be our air boss for the event. Brian and I will set up the aircraft parking. We will need volunteers for aircraft and car parking. Set up will be Friday evening at 6:30 pm. Volunteers should be at the airport by 6:00 am on Saturday.

REMEMBER EVERYONE IS A SAFETY OFFICER. Lets have another safe event.

Sheryl Cole gave a very interesting presentation on her participation in the powder puff derby. We took up a collection to help defray her expenses for this years derby. We hope for updates before and after the race.

Respectfully submitted. Allan Grabeman
